FOR IMMEDIATE RELEASE

## **SLASPA Launches new Monthly Report**

Castries – Monday August 24, 2009 - The Saint Lucia Air and Sea Ports Authority (SLASPA) launched a new monthly report to customers this month called “Re-Port”. Re-Port gives customers a glimpse of the performance of the Authority’s core areas of airport, sea cargo, cruise and ferry operations.

Re-Port will work in tandem with SLASPA’s weekly newspaper column ‘Portfolio’. Portfolio seeks to keep port users and the general public informed on port operations, statistics, security matters and some of the interesting personalities influencing the shape and future of the Ports. It is reflective of the diverse business sectors in which SLASPA operates which includes Castries Seaport, Vieux Fort Seaport, George F.L Charles and Hewanorra International Airports.

Dona Regis, Director of Marketing and Product Development said “This Re-port would speak to all our industry partners and users at our various facilities. We want to make every effort to keep our customers and stakeholders informed in a timely and efficient manner. Through Portfolio and Re-Port, we ensure that all stakeholders are in the know.”

Re-Port and Portfolio is emailed all stakeholders and industry persons. If you would like to be on the mailing list, please email us at [marketingdepartment@slaspa.com](mailto:marketingdepartment@slaspa.com). In addition, both publications can be found on SLASPA’s website at [www.slaspa.com](http://www.slaspa.com)
